THE THEOLOGY OF THE BODY INSTITUTE COURSES

IN THE ARCHDIOCESE OF SYDNEY

“ And this is why it's already changing so many lives around the world. The Pope's teaching helps us distinguish between the real million-dollar bill and the counterfeit. It helps us 'untwist' our disordered desires and orients us towards the love that truly satisfies.

- *Christopher West.* ”

As part of its commitment to leadership and formation, expressed in the mission plan Go Make Disciples, the Sydney Centre for Evangelisation in the Archdiocese of Sydney has partnered with the Theology of Body (TOB) Institute to provide more accessible opportunities for Catholics in Sydney and beyond to be trained and formed in the Theology of the Body as proclaimed by Pope St John Paul II.

The TOB Institute are the leading providers of outreach and educational offerings of Theology of the Body and are dedicated to making these profound riches available in the lives of men and women around the world.

Through this partnership, our hope is that Australians are introduced and re-energised with this most important and crucial 'masterwork' and reach men and women in every state of life with a hopeful, liberating vision of human identity that appeals to the deepest yearnings of the heart for love and union.

“ It is a huge blessing to be doing this course together with my husband, as it has opened the way for us to share more deeply with each other and understand each other better as husband and wife.

- Jane, Wife and Doctor ”

Learning Objectives

The course is designed to:

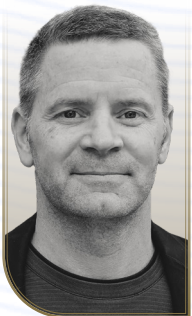

- Explore the philosophical reasons why marriage must be faithful, indissoluble and open to children
- Gain a familiarity of the compatibility and differences in a natural law and a personalist approach to ethics
- Critique utilitarianism
- Explain the personalistic norm
- Differentiate metaphysical, psychological and ethical analyses of love
- Investigate how a study of shame assists in the understanding of chastity
- Discriminate the differences between natural family planning and contraception

This course is perfect for adults (18+) - lay, clergy, seminarians, religious, ministry leaders, parish coordinators, teachers and those who have a passion and desire to dive deeper into *"the rediscovery of the meaning of the whole of existence, the meaning of life"*.

“ The Theology of the Body Institute takes the great scholarship of St John Paul II and translates it into a language, images, music and stories that are understandable and resonate in the heart of the average person.
- Christopher West. ”

“ The greatest gift Theology of the Body gave me as an affirmation that the deepest longings, desires and yearnings of my own heart for love, fulfillment and intimacy were not only good but holy.
- Marie, university student ”
